### 30 UK Free Classified Websites

This list is in no particular order and comes with no guarantees of acceptance, fit for use or anything else. It is part of the blog post Facebook Machine Gun Marketing: Step Away From The Update.

Are you willing to be a guinea pig? Instead of posting ads across multiple Facebook groups, pages and walls use that time to post on free ads sites. Is there a difference in results? I'd love to know!

Make a note of how many people contact you when you post Facebook ads and how many after posting classified ads – mail me results at [info@mylocalbusinessonline.co.uk](mailto:info@mylocalbusinessonline.co.uk) or drop me a note on my Facebook timeline [www.facebook.com/mylocalbusinessonline](https://www.facebook.com/mylocalbusinessonline)
